IMPORTANT

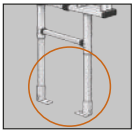

EN **When closing the tent, ensure that all objects have been removed from inside the tent.**

FR Lors de la fermeture de la tente, assurez-vous que tous les objets ont été retirés de l'intérieur.

DE : Stellen Sie beim Schließen des Zeltes sicher, dass alle Gegenstände aus dem Inneren entfernt wurden.

ES Al cerrar la tienda, asegúrese de haber retirado todos los objetos del interior.

PT Ao fechar a tenda, certifique-se de que todos os objetos foram retirados do interior.

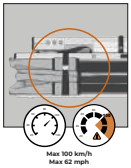

EN **Ensure both telescopic legs are straight when open and securely locked in their base when closing.**

FR Assurez-vous que les deux pieds télescopiques sont droits à l'ouverture et fixés et verrouillés dans la base à la fermeture.

DE Stellen Sie sicher, dass beide Teleskopbeine beim Öffnen gerade stehen und beim Schließen in der Basis verriegelt sind.

ES Asegúrese de que ambas patas telescópicas estén rectas al abrir y correctamente encajadas y bloqueadas en su base al cerrarla.

PT Certifique-se de que ambas as pernas telescópicas estão direitas ao abrir e corretamente encaixadas e bloqueadas na base ao fechar.

EN **After closing, ensure no fabric is outside the tent. Do not exceed 100 km/h with the tent mounted.**

FR Après la fermeture, assurez-vous qu'aucun tissu ne dépasse de la tente. Ne dépassez pas 100 km/h avec la tente installée.

DE Stellen Sie nach dem Schließen sicher, dass kein Stoff aus dem Zelt herausragt. Überschreiten Sie mit montiertem Zelt nicht 100 km/h.

ES Después de cerrar, asegúrese de que no quede tela fuera de la tienda. No supere los 100 km/h con la tienda instalada.

PT Após fechar, certifique-se de que não fica tecido fora da tenda. Não exceda os 100 km/h com a tenda instalada.

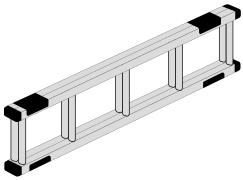

COMPONENTS

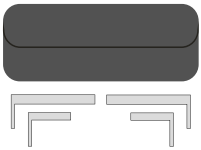

Rooftop tent and cover

Mattress and cover

Ladder

Telescopic legs and bag
